

## COVID-19 Safety Plan

We are all looking forward to getting back to dance classes but we do need to make sure that we keep safe and feel safe.

These are our basic rules:-

- Couples must be from the same household/"bubble".
- Anyone who has symptoms of COVID-19 or who may have been in contact with anyone with COVID-19 must not attend a class.
- Try to keep cars separate in the car park.
- Keep to social distancing of at least 1M at all times.
- Class sizes will be safe for the size of the hall.
- Class times will be staggered for safe changeovers.
- We will open windows and doors as much as we can for ventilation.
- Payment will have to be contactless. Cash payment will have to be for the exact amount because we won't be able to give change. Bank Transfer is an option if you prefer.
- Use the hand sanitiser dispenser when you enter and leave the building.
- Teachers will not be able to dance with pupils.
- Teachers will wear face coverings.
- Face coverings for pupils are not mandatory but are recommended to make everyone safer.
- Chairs and common "touch points" will be cleaned before and after each class.
